Please attach to this application your typed responses to the following questions. Please use as many words and/or pages as you would like. To ensure the “blind” nature of the scholarship application review process, please do not write your name or any identifying information (e.g., the name of your high school or school district) on any attached pages.

1. In what co-curricular classes and extracurricular activities have you participated during your high school studies?
2. How much and what types of community service have you performed during high school?
3. What are your plans after graduating from high school?
4. What are the greatest obstacles that you have overcome in life and at school?
5. After completion of your postsecondary studies, how do you imagine yourself contributing to the Mexican American and/or Hispanic/Latino community and providing a “hand-up” to other students in our community?

I am requesting consideration for a scholarship from the Mexican American School Boards Association, and I certify the truth of all statements in this application and attached pages.
